# WHO WE ARE

Assistance League® Tulsa was chartered on January 20, 1970. We are a part of the national Assistance League® organization; over 22,000 volunteer members in 120 chapters nationwide focused on making our communities a better place to live. However, our Tulsa chapter operates to serve the Tulsa area only and all money raised and spent stays in our community.

By empowering 280 Assistance League® Tulsa member volunteers to meet changing needs, in 2021-2022 we strengthened our Tulsa community by contributing more than 34,423 volunteer hours, making an impact for vulnerable children and adults.

Assistance League® Tulsa is committed to providing equal employment/volunteer opportunities to all employees, applicants for employment, members and volunteers. Accordingly, all terms and conditions of employment/volunteer opportunities will be carried out without regard to race, creed, color, religion, gender, sexual orientation, nationality, marital status, age, or disability.

Assistance League® Tulsa will not tolerate acts deemed to constitute discrimination or harassment based on gender, sexual orientation, race, creed, color, religion, national origin, marital status, age, disability, or any other characteristic protected by law.

## Mission:

Assistance League® Tulsa volunteers transforming the lives of children and adults through community programs.

## Vision:

Essential needs are met in our community and families flourish.

## Other Notes

**Technology**–implementation of cloud based system, implementation of upgraded donor management system to ensure we are using our resources in the most effective and efficient manner possible.

**Building Updates**– began modernization of the elevator to ensure we have a safe and well maintained facility (should be completed August 2022).

**Training for defibrillator and first aid kit refurbishment**– to ensure we have a prepared membership for unexpected health occurrence.

**Office Administrator**– we hired our first full time employee because as we continue to grow and reach more children and adults, we realized that we needed a full time employee (we are a volunteer driven organization, including leadership and our board of directors) to assist in our activities.

**Expansion of Operation School Bell® with the AL TSA (Assistance League® Tulsa Scholar Award)**- Tulsa Public Schools approached us about covering fees for high schoolers who are enrolled in concurrent high school and college coursework. Literacy is a major part of OSB so we adopted this new piece to help TPS students. We served 106 underserved students by covering \$18,704 in course fees.

**Training**– the president and president elect completed the Nonprofit Management Certification course to ensure we are using best standards and practices in leading the AL Tulsa organization.

**Community**– we were proud to be a part of the Oklahoma First Lady, Sarah Stitt's, event to help foster children begin school with all the essentials at the Gathering Place. We provided clothing so that children would have a new outfit to wear the first day of school. We also were pleased to once again participate in the Martin Luther King Jr. Day parade in Tulsa.
